// About me

My name is Piotr Pospiech I am junior frontend developer from Poland. Being constantly challenged and progress that comes with it, is the thing that allows me to show my high ambition for aiming for highest results. I always surround myself with people that know more than me so I can learn as much as posspible. I enjoy group work eaither as a member or project menager when my work structure can play a part.

// Education

High school - Poland
2016 - 2019

Business Academy Aarhus Multimedia Design AP degree
2019 - now

// Experience

Voluntary organisation"Jestes my blisko"
2016 - 2019

Being in my local voluntary organisation I was responsible for organising, coordinating and ménage events, teaching new members,

FK Distribution
2019 - 2020

As a delivery worker I learnt how to be flexible and adapt to a new situation, I had also opportunity to deal with customers.

Helnan Marselis Hotel
2019 - 2020

As a cleaning assistant in Marselis Hotel I am responsible for making sure that the clients are satisfied with the service they get. I learnt there also how to be independent at work and be flexible.
